NOTICE OF VACANCY

SCHOOL YEAR 2018 - 2019

Metal Fabrication and Joining Technology Instructor

REQUIREMENTS:

The candidate must have a Metal Fabrication or Welding preliminary or professional Vocational Technical Teacher License or fulfill the requirements for the Preliminary License by the end of the 2018-2019 school year.

The DESE Metal Fabrication or Welding Preliminary Vocational Technical Teacher License requirements include:

- High school diploma.
- If Welding: possession of a current National Welding Certification.
- Passing score of at least 70% on the written test and performance test in Metal Fabrication or Welding.
- Passing score on the Vocational Technical Literacy Skills test (VTLST) or the Communication and Literacy Skills test.
- Five years of recent (within the last seven years), full-time employment experience directly related to Metal Fabrication or Welding.
 - a. An associate degree may substitute for one of five years of required employment experience, provided that the degree includes subject matter related to or more strands of the Vocational Technical Education Framework in Metal Fabrication or Welding.
 - b. A bachelor's degree may substitute for two of the five years of required employment experience, provided that the degree includes subject matter related to one or more strands of the Vocational Technical Education Framework in Metal Fabrication or Welding and/or in education.

APPLICATION:

1. Submit a resume.
2. Provide three letters of recommendation.
3. CORI and fingerprinting required if hired.
4. Submit documentary evidence of:
 - a. Metal Fabrication or Welding Preliminary Vocational Technical Teacher License or License status per the ELAR Summary Sheet
 - b. Work experience
 - c. High School/College Transcripts
 - d. If Welding: National Welding Certification

LETTERS OF APPLICATION ARE TO BE FORWARDED TO:

Karen J. Guenette, Principal
Old Colony Regional Vocational Technical High School District
